

ZBF Family Services

24/7 Family Support, because childhood cancer doesn't take a day off

Safe Healing Homes

- Deep clean and sanitize the family home, including carpets, airducts, and furniture
- Continuous maid services
- Build new rooms for diagnosed children

Dependable Transportation

- Service and repair the family vehicle
- Vehicle Sanitation
- Portable battery chargers

Nourishing Meals

- Monthly Groceries
- Meals and vouchers for family outings, restaurants, and buffets
- Special meals with Family Support Managers
- Meals and snacks during hospital and Cure 4 The Kids treatments

Comfort Essentials

- 100% Egyptian cotton bedsheets from Italy Clothing for families and children
- Wigs to support individuals experiencing hair loss due to chemotherapy treatment
- Toys and niche-interest items that offer comfort, familiarity, and joy to children and their families during challenging times
- New furniture for diagnosed children, including comfortable mattresses

Moments That Matter

- Birthday parties with decor, food, gifts, and fun
- Bell-ringing celebration to recognize treatment milestones and uplift family spirits
- Joyful experiences such as: VGK games, UFC experiences, Monster Jam, private theater suites, and live shows
- Parent care & relief, such as thoughtfully planned getaways including hotel stays, spa days, and dinners out. These experiences are designed to give caregivers time to rest, recharge, and reconnect either on their own or with a loved one
- Sibling activities, and inclusion, recognizing and caring for the whole family

Normalcy Support

- Weekly phone calls to check in, understand, and match the growing situational needs of each family
- Budgeting guidance, personalized resource navigation, and prevention of housing instability for families following a childhood cancer diagnosis
- Support parents in securing better employment opportunities by helping them build strong resumes and connect with meaningful career pathways
- Spend meaningful time with families and children as they undergo chemo and transfusions
- Personalized care tailored to each family's unique needs
